ULTIMATE PATCHES

FAST 'n' EASY USB INSTALL GUIDE + PATCH LIST

Install Requirements

1. An Uno Synth
2. A PC (Windows 7+), Mac (OS X 10.8+), iPad (iOS 9.3, iPhone (iOS 9.3+), or iPod Touch (iOS 9.3)
3. The free IK Multimedia Uno Synth Editor (PC/Mac/iPhone/iPad/iPod Touch)

Installation

Install Uno Synth firmware 1.1.1. or higher. <https://www.ikmultimedia.com/firmware/>

First install version 1.1.0 or higher of the free Uno Synth Editor:

<https://www.ikmultimedia.com/products/unosynth/index.php?p=editor>

Then, once you're familiar with the Editor (manual included in the Editor download) and have the UNO connected via USB to your PC, Mac or iOS device:

Open the Uno Synth Editor and click the PRESETS Tab. Now, drag and drop the UNO SYNTH ULTIMATE PATCHES folder into the "Category" area of the Uno Synth Editor window:

The patches are now loaded into the Presets window of the Uno Synth Editor. Follow the instructions that came with the Editor to send them to your UNO Synth.

Please contact IK Multimedia should you have any inquiries regarding using or troubleshooting the Uno or Editor. <https://www.ikmultimedia.com/contact-support/>

NOTE:

Most patches have a sequence to briefly demonstrate the patch for you - just hit the Play button on the Uno to hear the patch in action. Enjoy :)

If you have any questions at all, please contact us via the contact page on our website **UltimatePatches.com** — we usually respond within a few hours, and usually the same day.

Legal: Use these patches freely to create musical ideas and songs with — they can be used in personal or commercial recordings or playing live. None of the patches can be redistributed for free, and/or resold in any way. The compositions in the sequences and Youtube video demo are copyright protected via their respective owners, and are used in the sequences only for demonstration purposes of the patches. Much of the original music in the Youtube video demo / sequences is available for purchase or licensing for your own recordings; contact support@ultimatepatches.com for more information.
