

Club Kicks 2 serves up 65 speaker shaking kick drum samples from Jomox's famous AIRBase 99 drum machine. The drum samples included in Club Kicks 2 have been treated with generous amounts of outboard processing and compression, and further harmonically enhanced with a Thermionic Culture Vulture valve distortion box!

What's included in the Sample Pack?

- 65 24-bit 100% royalty free kick drum samples which have been recorded through an A-grade signal chain including devices such as the Thermionic Culture Vulture, Empirical Labs Distressor and API 512c pre-amp

The best part of all is this sample library is 100% free! All you have to do is [login](#) to gain access to the download link!
